## Showhouse *by the* Bay

DORTHY GORSLINE  
&  
MARCIE GORSLINE

As you enter this graciously scaled living room you are filled with a feeling of romance and warmth. Inspired by a lovely hand woven area rug, the theme of the room incorporates the sunny pastel colors of early spring. Fine antiques and reproduction furniture add richness to the room. Decorative art, *tromp l'oeil* and relaxed elegance are combined to create a sunny, welcoming environment. ■
